ANNUAL PAEDIATRIC/EMERGENCY PAEDIATRIC FIRST AID REFRESHER COURSE

This course is for First Aiders at Work and Emergency First Aiders.

Although it is not mandatory, the HSE (Health and Safety Executive) strongly recommends that qualified First Aiders and Emergency First Aiders undertake annual refresher course in order to keep their skills up-to-date and refreshed. These three hours annual refresher course has been designed to meet that requirement and will help First Aiders to maintain their skills and knowledge whilst also keeping up-to-date with any changes to protocols.

The course will cover all subjects from the Paediatric First Aid Course or Emergency Paediatric First Aid, depending which training has been previously undertaken by the students.

CLASSROOM-BASED TRAINING

Max number of participants: 16.

Min learners age: 16. ID required.

Safety 4 All Ltd is a private limited company registered in England and Wales (Registration number 15068953).

Duration: 2 hours for the Emergency Paediatric First Aid and 3 hours for Paediatric First Aid, consisting of theoretical and practical skills.

Certification: A certificate of attendance will be issued.

Prices are individual for business customers and may be included in the original offer of Paediatric First Aid or Emergency Paediatric First Aid Training.

BLENDED TRAINING

This is a combination of classroom-based training and online (via Zoom). Please ask for more details.

We offer price-match. Please request for group-prices. If you are unsure what type of training you require for your organisation please book a free consultation. Please book a course or request more information by clicking the red button below.
